## IMPORTANT INFORMATION

### **DROP-OFF AND PICK-UP**

For all rehearsals and shows, it is mandatory that all skaters check-in at the back entrance to the ice rink (by snack shop) one hour before the scheduled start time.

After each show, skaters will exit at the back entrance. Parents of skaters under age must sign their child out. We do not want any young children out in the parking lot alone. We ask for your cooperation in this matter as it affects the safety of our children.

### **BACKSTAGE**

Bring snacks (non-messy) and water for your skaters backstage on Friday, Saturday, and Sunday. Bring warm jackets and blankets to keep them warm. Videos will be shown to keep younger skaters entertained.

### **IMPORTANT**

Because of the limited space backstage, ONLY those parents assigned to work in that area will be allowed to enter. If you do not have a "backstage Pass" you may not enter the backstage area. Please know that we understand the concerns of parents with young children but this policy is to keep everyone as calm and organized as possible. The more people there are the more chaotic. All skaters will be supervised and the skating pros will be with them as well. There will be a camera hook-up backstage so the skaters can watch the show. Also, no skater or parent may enter or leave the backstage area during intermission or during the show. Thank you very much for your cooperation in this matter.

### **DINNER**

The Channel Islands Figure Skating Club will provide dinner for all skaters after the Saturday Matinee show. Please plan to have your skater stay and join us for dinner. Bring an EASY change of clothes so costumes will not become soiled.

### **BAKE SALE**

As always, we are having a bake sale and need lots of creative donations to sell. The last 2 years this has been a most successful venue. The money raised from the sale goes directly to the Children's Services Auxiliary to fund Christmas gifts for foster and abused children of our County that find themselves in an impossible situation. Please be generous with your baking and remember we have 4 shows so if you are not able to bring on Friday, there is still Saturday and Sunday. Thank you in advance for your generosity.

### **VIDEOS**

There will be no videotaping or flash photography allowed during any of the four shows. However, Ventura High School will be videotaping the entire show and will be selling the videos. All proceeds from these sales will go to the Ventura High School Vis/Comm Department. DVDs will be sold for \$35. You may pre-purchase a DVD by enclosing payment with the attached form and return it to the Club mailbox in the office.

### **PROGRAM SALES**

Programs will be on sale during the shows. The cost is \$3.

**COSTUMES**

Please note that the entrance fee of \$50.00 does NOT cover the cost of the costume for each number your skater participates in. We try to keep the cost down wherever possible! Some costumes may run around \$50 - \$60.

**We are looking forward to a great show and above all we hope every participant will enjoy themselves and have fun!!**
